23 ² To clarify Which's position in an ongoing dispute between Which and the Samsung
24 Entities, Which does not hold the view that the Court's deadline for the motion to quash is obviated
25 by any non-party serving objections to the subpoena. The parties may seek a clarification from the
26 Court, if necessary.

27 ³ The Samsung Entities do not understand the Court's orders or the parties' stipulations
28 (which specifically include the phrase "[t]he timing and procedures set forth in Federal Rule of
Civil Procedure 45 shall otherwise apply") to require a motion to quash in order to preserve
objections if a subpoena recipient timely served written objections under Rule 45, and view these
stipulations as merely preserving the option of filing a motion to quash.
